

# Two virtual conferences for Salaried GPs

**3RD FEBRUARY  
& 9TH MARCH**

**From 12:00pm until 4pm**

**A variety of topics available on both days presented by your peers**

The conference will commence at 12:00 noon, with "doors open" from 11:45am and will finish at 4pm. Please see the reverse of this flyer for agenda/bios where available

**Andy Coley - Host & Facilitator**

Our host, Andy Coley will introduce the conference and be on hand to support with the setup and flow of the day as well as running the any Q&A discussions. Andy is an International Speaker, Coach and NLP Trainer who works with surgeries, training hubs and GP Confederations to provide insightful training & support.
